Grant Application Information

Bradford County will be submitting an application for a Community Development Grant (CDBG) for mitigation. The source of the grant is the Florida Department of Economic Opportunity's Rebuild Florida General Infrastructure Program.

The DEO has a total of \$633,485,000 in funding available for the Rebuild Florida General Infrastructure Program. Bradford County will be submitting the application to request funding for the rehabilitation of Water Oak Creek. The rehabilitation is intended to improve the flow and mitigate flooding along the creek.

Information regarding the details of DEO's Rebuild Florida General Infrastructure Program are available on the DEO website at the following link:

<https://floridajobs.org/rebuildflorida/mitigation/general-infrastructure-program>

If you would like to comment on or ask questions regarding the proposed rehabilitation or the application, please provide your comments or questions by September 10, 2020. Comments, questions, or requests for copies of the application should be directed to the contact person listed below.
